

PHOTO PROJECT

WITH JIM SOTO

ANNIE LEIBOVITZ AT WORK

It's time to show off!

Composition. Exposure. Depth of Field. Bokeh. Patterns. Texture. The Rule of Division of Thirds. This, and many other terms have been explained to you during the last few lessons. Now we go from words to actions!

The Project

Utilizing this new knowledge, you will compose a photograph, regarding any subject matter of your choice (except of yourself) and deliver it in 10 x 8 in. photographic stock on or before **September 23, 2023**. Any thing you want to use as a subject is allowed (following societal standards of decency and good taste). The one. No selfies will be allowed!

Format and stuff

The photo is expected to show: bokeh, the application of the rule of thirds and the use at least one of the elements of composition taught in class. Photograph must be in the JPEG or jpg format.

Printing the photo!

Photos must be printed in 8x10 in.
photographic stock (not printing
paper).

In Aguadilla, you can get your
pictures printed in locations such as:

- Walmart
- Walgreens
- Promo Printing

Delivering the goods!

Photo must be identified with your name, date, homeroom number.

A paragraph explaining your composition and exposure choices and the reason why you chose that particular theme / subject must also be included.

Remember that your pictures must have a subject, in other words, it's about something or someone. Common subjects include people, arrangements of objects, etc.

Portfolio Entry

The work will have a 70 points value for your portfolio grade. The best 3 pictures receive bonuses. The runner ups will earn an additional 15 and 20 point bonuses respectively! Top Gun gets 30!
